Firm/Position:

Christner Inc., Associate Principal and Project Manager

Education:

Bachelor of Architecture
Bachelor of Science, Business Administration

Organizational Memberships:

- American Institute of Architects, Board Member, 1997-2004, Treasurer, 1997-1998; Director, 1999-2004
- AIA Missouri Director 2003-2007
- SAVE Certified
- FOCUS St. Louis, Leadership Program, 1999

Area of Specialty/Current Job Description:

Todd is an Associate Principal and a Project Manager with over 25 years of management experience. He is particularly adept at reconciling functional, budgetary and schedule issues. In his role at Christner, he is responsible for staffing, project coordination and management of consultants. Todd is also a member of Christner's operations committee which is responsible for the day-to-day operations of the 80-person firm.

Professional Expertise:

Todd has an intentionally diverse base of project management experience, including work for healthcare, corporate and educational clients. His recent projects include:

Churchill Center and School, new K-10 school for students with learning disabilities
BJC Northwest Healthcare, new replacement hospital
Thompson Coburn, LLC, new award winning conference center and 280,000 sf office renovation
Tarlton Corporation, new LEED Silver Certified headquarters
VA Medical Center Jefferson Barracks, \$200 million campus renovations

Areas of Interest to KSU Students and Faculty:

- Encouraging future architects to develop an understanding of the business side of architectural practice
- Fostering sustainable design principles
