

Masters of Regional & Community Planning Kansas State University

Admission, Enrollment & Completion Information for the Undergraduate Minor in Community Planning

Undergraduate students enrolled at KSU may apply for admission to the Minor program in Community Planning by contacting the departmental offices and completing an enrollment form at least one year prior to graduation. *(Note: Undergraduate students who have elected to pursue the Non-Baccalaureate MARCH, MLA, MIAPD and MRCP degrees are not eligible for a Minor in Community Planning, since a "minor" is only awarded upon the completion of a Bachelors Degree from KSU ... NB MRCP students do not receive a Bachelor's degree as the progress to the Master's degree.)*

Students opting to pursue the Minor in Community Planning will be assigned an academic advisor for the minor program from faculty within the program in Regional and Community Planning, for the purpose of selecting appropriate courses to fit their individual interests and needs. While the elective options listed above are generic to the minors program, other acceptable substitutes may be negotiated based on interest and background.

Completion Requirements for the Undergraduate Minor in Community Planning

Students must obtain a grade of "C" or better on all coursework to be applied to the 15 credit hour minor program. The student must also achieve a cumulative GPA in the minor course work of 3.0 on a 4.0 scale. Ungraded course work taken for Pass/Fail does not qualify for inclusion in the Minors program. The Department of Landscape Architecture/Regional and Community Planning will award a "Certificate in Community

Planning” to those students who successfully complete the minor program in Community Planning, upon graduation from Kansas State University. The Minors Program Director will monitor progress and notify the registrar upon completion of all course work leading to the Minor in Community Planning. The minor must be completed at the same time as the undergraduate degree, to be noted on the student’s transcript.
