

Masters of Regional & Community Planning  
Kansas State University

Community Development Planning Certificate  
Admission, Enrollment and Completion Information

**Criteria for Admission and Enrollment Procedures for the Graduate Certificate in Community Planning and Development:** Graduate Students enrolled at KSU may apply for admission to the Graduate Certificate program by contacting the departmental office in Seaton Hall, Room 302.

**Completion of Requirements:** The student will be expected to notify the departmental office of graduation status the semester prior to planned graduation from their program. The staff will notify the Graduate School of completion of all requirements for the Graduate Certificate in Community Planning and Development, and the Graduate School will insure the proper notation on the student's official transcript. The Certificate will be awarded concurrent with the student's graduate degree.
