

Curriculum Vitae

Michael McGlynn RA LEED AP

Department of Architecture
Kansas State University
211 Seaton Hall
Manhattan, KS 66506-2901
785.532.1896
mmcglynn@ksu.edu

Education

December 1998

University of Oregon, Eugene, OR

Master of Architecture

- Terminal Project: "La Chiesa del Redentore: An Organic Composition"
Advisors: Professor Andrew Morrogh, Department of Art History
Professor Virginia Cartwright, Department of Architecture

December 1990

Miami University, Oxford, OH

Bachelor of Environmental Design

January 1989-December 1990
Second Semester 1988-89
1986-87
1986-87

- Attended **Washington-Alexandria Architecture Center**, Alexandria, VA
- President's List
- Freshman Honors
- A.R. McMicken Memorial Scholarship

Teaching Experience

Fall Semester 2007-Present

Kansas State University, Manhattan, KS

Department of Architecture
Assistant Professor

University of Oregon, Eugene, OR

Department of Architecture

Winter Term 1998
Winter Term 1997

Graduate Teaching Fellow

Graduate Teaching Assistant

Courses Taught

Kansas State University, Manhattan, KS
Studio

Fall Semester 2009
Spring Semester 2009
Fall Semester 2008
Spring Semester 2008
Fall Semester 2007

ARCH 605: Architectural Design Studio V
ARCH 304: Architectural Design Studio II
ARCH 605: Architectural Design Studio V
ARCH 404: Architectural Design Studio IV
ARCH 605: Architectural Design Studio V

Lecture

Fall Semester 2009
Spring Semester 2008
Fall Semester 2008

ARCH 515: Environmental Systems in Architecture III
ARCH 514: Environmental Systems in Architecture II
Co-taught with Professor R Todd Gabbard
ARCH 515: Environmental Systems in Architecture III

Courses Taught (Cont)

	Seminar
Spring Semester 2009	<i>ARCH 716: Understanding Sustainable Architecture</i>
Winter Intersession 2009	<i>ARCH 716: Building Systems-ARE 4.0 Preparation</i>
Fall Semester 2007	<i>ARCH 716: Regionalism and Sustainable Design</i>

	University of Oregon, Eugene, OR
Winter Term 1998	<i>Basic Computer-Aided Design</i> <ul style="list-style-type: none">Prepared the syllabus and conducted independent classroom instruction in AutoCAD R14 for Windows. Coordinator: Professor Nancy Cheng, AIA
Winter Term 1997	<i>Introductory Architectural Design Studio</i> <ul style="list-style-type: none">Assisted in teaching the first year studio sequence including individual desk critiques, group discussions, field trips, and reviews. Coordinator: Professor Glenda Utsey

Advising

	Master of Science in Architecture Thesis - Minor Advisor
April 2008-Present	Jose Abraham <i>Identifying Place Making and Impact on Human Health as Dimensions of Urban Sustainability</i> Major Advisor: Professor David Seamon
April 2008-May 2009	Lance Klein <i>Form, Process, and Ecosystem: Application of Biomimicry in Architecture</i> Major Advisor: Professor David Seamon
April 2008-October 2008	Trishna Pradhan <i>Near Zero-Energy Infill Housing: Front and Back House Options in Manhattan, KS</i> Major Advisor: Professor Gary Coates
	Master of Science in Architecture Non-Thesis - Major Advisor
January 2009-Present	Mamdouh Al-Tashkandi <i>Towards Sustainable High-rise Buildings in Riyadh, Saudi Arabia</i>
April 2008-December 2008	Julia Bonney <i>Environmental Education for Design Professionals: An Academic Framework for Teaching Design Professionals the Fundamentals of Sustainable and Environmental Design Practices</i> Co-Major Advisor: Professor Barbara Anderson
	Master of Science in Architecture Non-Thesis - Minor Advisor
April 2009-Present	Meenakshi Sharma <i>Analyzing and Redesigning Chandigarh's Residential Sector Using Charles Correa's Housing Design Principles for Better Community Life</i> Major Advisor: Professor R Todd Gabbard

Scholarly and Creative Activity

Peer Reviewed Conference Papers

- March 5, 2009 “Assessing Sustainable Architecture: Carbon Neutral Design and the Emerging Environmental Ethic”
26th International Conference on Passive and Low Energy Architecture (PLEA): Architecture, Energy, and the Occupant's Perspective
Université Laval, Québec City, QB, Canada
- First round: double-blind peer reviewed abstract accepted for oral paper presentation.
 - Second round: double-blind peer reviewed paper accepted for publication in the conference proceedings. (I declined the oral paper presentation due to cost, therefore I was unable to publish in the conference proceedings.)

Peer Reviewed Conference Presentations

- February 13-15, 2010 “Environmental Design and Architectural Expression: Towards an Inclusive Approach to Architectural Form Generation”
Fourth International Conference on Design Principles and Practices
University of Illinois, Chicago, IL
- Double-blind peer reviewed abstract accepted for oral paper presentation.
- July 25-27, 2009 “Reading and Writing Sustainable Architecture: Outcomes of a Graduate Seminar”
Society of Building Science Educators Retreat: The Leap to Zero Carbon
Université Laval, Quebec City, QB, Canada
- Peer reviewed abstract accepted for oral presentation.
- May 27-31, 2009 “Assessing Sustainable Architecture: Low Energy Building and the Emerging Environmental Ethic”
Environmental Design Research Association (EDRA) 40: Re: The Ethical Design of Places
Kansas City, MO
- Double-blind peer reviewed abstract accepted for oral paper presentation.
- January 23, 2009 “The 2010 Imperative, Carbon Neutral Design, and the Architectural Curriculum at Kansas State University”
Kansas State University Sustainability Conference: Leading Kansas in Sustainability
Manhattan, KS
- Peer reviewed abstract accepted for oral presentation.
- July 23-26, 2008 “The Logics of Sustainability Re-envisioned: Implications for Teaching and Research”
Society of Building Science Educators Retreat 2008: Resetting the Agenda
The New Forest, UK
- Peer reviewed abstract accepted for oral paper presentation.

Scholarly and Creative Activity (Cont)

- July 22-23, 2008
- Peer Reviewed Poster Presentations**
- “The Logics of Sustainability Re-envisioned: Implications for Teaching and Research”
- The Oxford Conference 2008: 50 Years On – Resetting the Agenda for Architectural Education*
- Examination Schools, Oxford University, Oxford, UK
- Double-blind peer reviewed abstract accepted for poster presentation.

- May 2009
- Professional Reports**
- Understanding Sustainable Architecture: A Critical Analysis of 16 Case Studies*
- ARCH 716/816: *Understanding Sustainable Architecture*
- Kansas State University, Manhattan, KS
- Exhibition publication of student work resulting from a seminar.

- September 12-
October 24, 2009
- Peer Reviewed Creative Activity**
- “Ando’s Modern, Fort Worth, TX, 2009”
- “CiCo Park, Manhattan, KS, 2009”
- “Holl’s Bloch, Kansas City, KS, 2009”
- Manhattan Area Photographers Exhibit*
- Manhattan Arts Center Gallery, Manhattan, KS
- Blind peer reviewed photographs accepted for exhibition.

- March 10-28, 2008
- Invited Creative Activity**
- Architectural Project Presentation: Albina Head Start McCormack-Matthews Center, Portland, OR
- Photograph: “Asian Boy, New York City”
- Photograph: “Girl in Window, New York City”
- College of Architecture, Planning, and Design (CAPD) Faculty Show*
- Chang Gallery, Seaton Hall, Kansas State University

- September 11, 2009
- Awards**
- Third Place Photograph: “Ando’s Modern, Fort Worth, TX, 2009”
- Manhattan Area Photographers Exhibit*
- Manhattan Arts Center Gallery, Manhattan, KS
- September 12-October 24, 2009
- Blind peer reviewed exhibition of 72 photographs representing 33 Manhattan area photographers.

Grants

University Funded

- Spring 2008 Faculty Development Award
Kansas State University Office of Research and Sponsored Programs
- \$2,800.00 plus supplemental funding of \$1,200.00 from the Department of Architecture
 - Used to fund travel to present a poster at *The Oxford Conference 2008: 50 Years On – Resetting the Agenda for Architectural Education*, Examination Schools, Oxford University, Oxford, UK, July 22-23, 2008, and a paper at the *Society of Building Science Educators Retreat 2008: Resetting the Agenda*, The New Forest, UK, July 23-26, 2008.

Service

Department

- 2009-Present APR/Accreditation Task Force
Member
- August 2009-Present NCARB Intern Development Program (IDP)
Educator Coordinator
- 2007-Present Lecture/Events Committee
Archivist
- 2008-2009 Faculty Affairs Committee
Member-Faculty Search
- 2008-2009 MSArch Distance Education Task Force
Member

College

- 2008-Present Environmental Health and Safety Committee
Member

University

- April-May 2009 Sustainability Consultant
National Institutes of Health Grant Proposal submitted under the Recovery Act Extramural Research Facilities Improvement Program (C06)
“Burt Hall Improvements—Enhancing Core Capacity at K-State”; B. A. Montelone and A. Fattaey
\$5,378,825 from 04/01/10-03/31/15 (pending)
- Consulted with Prof Beth Montelone, Associate Dean of the College of Arts & Sciences, and her team regarding the sustainability component of a grant proposal for the renovation of Burt Hall.

Service (Cont)

Profession

March 2009-Present	Environmental Design Research Association (EDRA) <i>Member</i>
September 2007-Present	Society of Building Science Educators (SBSE) <i>Chair</i> , Educational Resources Committee, (Board of Directors position with a two-year term) <ul style="list-style-type: none">• At the SBSE Retreat in July, Mary Guzowski, Associate Professor in the School of Architecture at the University of Minnesota, nominated me for president and I accepted. If elected in November, I will serve the organization for six years, first as president-elect (2 years), then president (2 years), and, lastly, as past-president (2 years).
July 2009-Present	<i>Member</i>
February 2005-Present	National Council of Architectural Registration Boards (NCARB) <i>Certificate Holder</i>
July 2004-Present	Registered Architect <i>State of Oregon</i>
2003-Present	United States Green Building Council (USGBC) <i>Accredited Professional</i> , Leadership in Energy and Environmental Design (LEED)
February 2005-January 2006	<i>Steering Committee Member</i> , Portland Branch, Cascadia Region Chapter
January 2007-April 2009	American Institute of Architects (AIA) <i>Member</i> , Flint Hills Chapter
September 2004-December 2007	<i>Member</i> , Portland Chapter
December 2005-December 2007	<i>Member</i> , AIA/NIBS-BETEC Building Enclosure Council, Portland, OR
March 2007-February 2008	Construction Specifications Institute (CSI) <i>Member</i>

Practice Experience

April 2005-July 2007

SERA Architects, Inc, Portland, OR

Senior Project Architect

- Responsible for project delivery from concept to completion.
- Mentored younger staff on the issues surrounding the building envelope and architectural detailing.
- Involved in defining and implementing project delivery practices.

Mixed-Use: Commercial/Housing

- Coordinated the planning and environmental review process and the design development and detailing of the building envelope for the Wilshire Center Condominiums in Los Angeles, CA. This 986,000 square foot project includes two subterranean parking levels, ground level retail lease space, three above-grade parking levels, one 22-story condominium tower, and one 15-story condominium tower.
- Detailed the building envelope for The Civic Apartments in Portland, OR. This six-story affordable housing project includes three subterranean parking levels, ground level retail lease space, and 130 units in five levels above.

December 1999-April 2005

Otak Architects, Inc, Lake Oswego, OR

Project Architect

Civic

- Assisted in the sustainable design effort for the Tempe Transportation Center in Tempe, AZ. This three-story, 31,000 square foot mixed-use building includes the City of Tempe Transportation Department and Operations Center, a community meeting room, office and retail lease space, and a bike station. My primary responsibilities included preliminary energy modeling using Energy Scheming 3.0, assisting in the development of design strategies to optimize building performance, and coordinating the architectural LEED documentation. The project team hopes to attain LEED-NC 2.1 Silver Certification.

Educational

- Coordinated the Albina Head Start McCormack-Matthews Center project in Portland, OR, from conceptual design through construction administration. This two-story, 14,075 square foot building includes three infant/toddler classrooms, three preschool classrooms, a computer lab, and a multipurpose room.

Commercial

- Detailed the exterior of the ODS Health Plans Regional Office in La Grande, OR, a two-story, 21,000 square foot building with a dental hygiene school at ground level and a branch office above.

Housing: Townhouse and Mixed-Use: Commercial/Housing

- Developed the design and produced the construction documents for Meridian Village Townhomes and Mixed-Use in Beaverton, OR. The townhouses include 31 units in five buildings. Three mixed-use buildings provide ground level retail lease space with a total of 12 two-story apartments above.

Housing: Senior

- Supervised a team of four through the design development and construction documentation of Conter Estates Senior Housing, a three-story, 75 unit apartment building in Commerce City, CO.

Practice Experience (Cont)

Housing: Multi-Family

- Designed Sierra Pointe Multi-Family Housing, an 11 building, 176 unit affordable housing project in North Las Vegas, NV.
- Coordinated construction documentation of Plum Meadows Multi-Family Housing, a 162 unit affordable housing project in Vancouver, WA.

Housing: Townhouse

- Designed and produced the construction documents for the Woodland Park Townhomes, a nine building, 45 unit townhouse development in Hillsboro, OR.
- Designed the Timberhill Townhomes, a 28 building, 100 unit townhouse development in Corvallis, OR.

Housing: Condominium

- Detailed the building envelope for the Eagle's Loft Condominiums, a 17 building, 136 unit development in Clackamas, OR.

Planning/Urban Design

- Supervised a team of three in an urban design study for the new neighborhood center of the HOPE VI New Columbia Redevelopment in Portland, OR.
- Participated on a team to develop three conceptual designs for the reuse of an historic milling property at the east end of downtown The Dalles, OR.

Anderson Dabrowski Architects, LLC, Portland, OR

July 1998-December 1999

Job Captain

Religious

- Assisted in the development of the master plan and schematic design for the Trinity Lutheran Church in Hillsboro, OR. Responsibilities included preparing multiple phasing options for consideration by the twelve-member committee and coordinating with the contractor to determine preliminary pricing.

Healthcare

- Designed a locker room addition and interior remodel for the Physical Therapy Department at North Lincoln Hospital in Lincoln City, OR.

Housing: Single-Family

- Assumed primary responsibility for the completion of a large residence located on a steeply sloping site in Portland, OR. Responsibilities included design development, construction documentation, and construction administration.

Farrell Consulting Group, PA, Silver Spring, MD

June 1995-June 1996

Intern Architect

Housing: Townhouse

- Coordinated and produced the construction documents for the Sligo Mill Townhouses in Takoma Park, MD.

Tenant Improvement

- Produced the construction documents for the interior renovation of the Hechinger Company Headquarters in Landover, MD.

Practice Experience (Cont)

- November 1994-June 1995 **Gauthier, Alvarado & Associates, Inc**, Falls Church, VA
Intern Architect
- Produced working drawings for government and commercial clients.
- Religious
- Designed the renovation of St. Mark's Activity Center in Vienna, VA. Responsibilities included schematic design, budgeting, finish and fixture selection, and client contact.
- January 1994-September 1994 **Wnuk Spurlock Architecture**, Washington, DC
Intern Architect
- Housing: Single-Family
- Participated in the production of construction documents for a large residence in Victoria, TX.
 - Designed and produced the construction documents for small-scale projects, including a kitchen renovation and a breakfast room addition.
- September 1991-October 1992 **Cannada Design**, Washington, DC
Intern Architect
- Participated in multiple aspects of project development including client contact, schematic design, construction documentation, and permit processing.
- Housing: Single-Family
- Designed and produced the permit documentation for a townhouse basement apartment.
