EDUCATION

1982 Master of Architecture, University of California, Berkeley
1979 Diplom Ingenieur, University of Hannover, Germany

ACADEMIC EXPERIENCE

2003 - present Professor, Department of Architecture, Kansas State University, Manhattan, Kansas.
1990 - 2003 Associate Professor, Department of Architecture, Kansas State University, Manhattan, Kansas.
1990 - present Member, Graduate Faculty
1984 - 1990 Assistant Professor, Department of Environmental Design, Kansas State University, Manhattan, Kansas.

ACADEMIC ADMINISTRATION

1995-1997 Head, Department of Architecture, Kansas State University, Manhattan, Kansas.
1995 Interim Head, Department of Architecture, Kansas State University, Manhattan, Kansas, August – November.
1990-1995 Associate Head, Department of Architecture, Kansas State University, Manhattan, Kansas.

SCHOLARLY AND CREATIVE WORK

Research Focus

Relationships between human health/well-being and the designed environment.

Work in Progress

- 2004 “SLIM DOWNtown Manhattan: Reducing Obesity Through Community Development”. With Madlen Simon, co-principal investigator. Ongoing.

External Grants and Awards

- 2004 Sunflower Foundation, Topeka, Kansas. “SLIM DOWNtown Manhattan: Reducing Obesity Through Community Development”. \$80,000.00. With Madlen Simon, co-principal investigator.
- 2003 American Institute of Architects/Academy of Architecture for Health: \$5,000.00. Grant to cover student and faculty expenses for travel and participation in the 15th Annual AIA/AAH Student Design Charrette in Denver, Colorado.
- 2001 American Institute of Architects/Academy of Architecture for Health: \$5,000.00. Grant to cover student and faculty expenses for travel and participation in the 13th Annual AIA/AAH Student Design Charrette in Chicago, Illinois.
- 1994 The American Council of Learned Societies: \$500.00. Grant to present an invited paper at the international conference *Architecture As Conversation* in Dornach, Switzerland.
- 1990 Bicentennial Swedish-American Exchange Fund of the Swedish Information Service, New York: SEK 10,000.00. Grant to conduct research on *The Architecture of Erik Asmussen*. With Gary Coates, principal investigator.
- 1990 Graham Foundation for Advanced Studies in the Fine Arts, Chicago, Illinois: \$7,500. Grant to conduct research on *The Architecture of Erik Asmussen*. With Gary Coates, principal investigator.

Kansas State University Grants and Awards

- 2001 Faculty Development Award: \$2,000.00. To present the paper “Christopher Alexander’s Pattern Language: An Experiment in Reading Architecture” at the Annual Conference of the Environmental Design Research Association in Edinburgh, Scotland. An additional \$200.00 was made available by the CAP&D Dean’s Office
- 1999 Dean’s Office, CAP&D: \$872.00. Summer Stipend to conduct research in Germany and Finland related to teaching and scholarly endeavors.
- 1998 Faculty Development Award: \$500.00. To conduct the workshop “Patterns of Healing in Erik Asmussen’s Architecture” at the international conference *Architecture, Form and Ecology* in Järna, Sweden. Additional funding was made available by the CAP&D Dean’s Office (\$200) and the Department of Architecture (\$600).

- 1997 University Small Research Grant: \$1,400.00. To conduct a comparative study of several hospitals in Sweden with emphasis on patient-centered design principles: and to develop “A Pattern Language for Healing Environments”. Additional funding was made available by the Department of Architecture (\$200).
- 1996 Kansas State University Provost’s Office: \$5000,00. To attend the *Management Development Program* at Harvard University, a two-week program for mid-level administrators.
- 1995 Kansas State University Provost's Office: \$992.00. To attend *The Ninth Annual Summer Institute on Academic Advising*, organized by NACADA, held in Copper Mountain, Colorado.
- 1994 Faculty Development Award: \$600.00. For travel grant to present an invited paper at the international conference *Architecture As Conversation* in Dornach, Switzerland. Additional funds were made available by the CAP&D Dean’s Office (\$300) and the Department of Architecture (\$500).
- 1989 Faculty Development Award, \$ 1, 500.00. For travel to conduct initial research on *The Architecture of Erik Asmussen* in Järna, Sweden. With Gary Coates, principal investigator.
- 1988 Department of Architecture. To attend the AIA/ACSA Teachers Seminar *The Art of Composition* at The Cranbrook Academy of Art, Bloomfield Hills, MI.
- 1987 Faculty Development Award: \$3,000.00. To prepare the study *Toward a Living Architecture: A History and Phenomenology of the Architecture of Erik Asmussen at the Rudolf Steiner-seminariet, Järna, Sweden*. With Gary Coates, principal investigator.
- 1987 Faculty Development Award: \$1,000.00. For travel to deliver a paper at the *Fifth International Congress on Architecture and Townplanning* in Malmö, Sweden.
- 1985 Faculty Development Awards program: \$700. To conduct case study examination *A Pattern Language for the University of Missouri at Kansas City Campus*.

Big 12 Faculty Fellowship Award

- 1999 Provost’s Office: \$2,475.00. Award granted for a two-week visit to the Texas A&M University Center for Health Systems and Design, Roger S. Ulrich, Ph.D., Director, to enrich research and teaching activities on the effects of the designed environment on human well-being.

Book Chapter Published

- 2001 “Spiritual Functionalism in the Architecture of Erik Asmussen.” In Anna Sokolina (ed.) *Architecture and Anthroposophy.*, Moscow, Russia: KMK Scientific Press, Ltd. With Gary Coates, primary author (translation into Russian of paper first published in 1989).

Guest Editor

- 1984 *ARCH+*, 73, March. Special issue on the work and ideas of Christopher Alexander. First publication in German of selected patterns. Responsibilities included:
- * authorship of article about my studies with Alexander;
 - * selection of materials to be published,
 - * translation of patterns from Christopher Alexander's *A Pattern Language*,
 - * translation of articles by several authors describing projects of Christopher Alexander's Center for Environmental Structure,
 - * selection and preparation of graphic material.

Conference Panel Organizer

- 2001 *Environments of Healing*. Panel of multidisciplinary presenters at the Twenty-fifth Annual Conference of the German Studies Association, Washington, DC. Exploring the larger topic from various points of view, including myself (see paper presentation below), a faculty from the German Department at the University of Wisconsin and a member of the National Academy for the Fine Arts in the Netherlands.

Conference Session Moderator

- 2001 Environmental Design Research Association Annual Meeting, Edinburgh, Scotland. Moderated Session 5 on “Reducing Stress Through Design”, one of eleven sessions under the theme “Old and New: Age and Health in the Built Environment”.
- 2001 ACSA West Central Regional Conference *Architecture: Landscape*. Hosted by the University of Kansas and Kansas State University. Moderated Session L: *Landscape/Architecture*.

Abstract Reviewer

ACSA West Central Regional Conference, *Architecture: Landscape*. Hosted jointly by the University of Kansas and Kansas State University.

Workshops Presented

1996 “Patterns of Healing in Erik Asmussen’s Vidarkliniken”. Presented at the international conference on *Architecture Form Ecology*, at the Rudolf Steiner Seminar, Järna, Sweden.

Academic Development

2006 “Living Research Network”. Attended conference sponsored by the Robert Wood Johnson Foundation and SCU, addressing issues related to physical activity and obesity.

2003 “Health By Design: A Symposium and Workshop Dedicated to the Conscious Creation of Healthy Environments”. Organized by the School of Architecture, Clemson University, and the Sustainable Universities Initiative, University of South Carolina, Charleston, South Carolina.

2000 XXth International Public Health Seminar, International Union of Architects Public Health Group, Nobel Forum, Karolinska Institute, Stockholm.

1999 Big 12 Faculty Fellowship Award: “Hospitals as Healing Environments.” Selected competitively. Funding by the Kansas State University’s Provost’s Office for a two-week visit to the Texas A&M University Center for Health Systems and Design.

1999 Society of Architectural Historians, Fifty-Second Annual Meeting. Houston, Texas.

1992 "Creating a Human Environment." International architecture conference at the Rudolf Steiner-seminar, Järna, Sweden.

1992 "Design Studio Teaching." ACSA Southwest Regional Meeting, University of Arkansas.

1988 "The Art of Composition." AIA/ACSA Teachers Seminar at the Cranbrook Academy of Art. Bloomfield Hills, Michigan.

Honors and Awards

2004 Commerce Bank Undergraduate Teaching Award, College of Architecture, Planning, and Design.

2003 Selected to participate with four undergraduate students in the 15th Annual Student Design Charrette, as part of the *AIA/Academy of Architecture for Health Conference*, Denver, Colorado.

2002 Citation, AIA Kansas Student Design Awards Program, for the ADS 7/8 project *The Anthroposophic Healing Center for Ann Arbor, Michigan*.

2001 Selected to participate with five fifth-year students in the 13th Annual AIA/AAH Student Design Charrette, as part of the *AIA/Academy of Architecture for Health Conference*, Chicago, Illinois.

- 1999 Big 12 Faculty Fellowship Award: “Hospitals as Healing Environments.” Selected competitively. Funding by the Kansas State University’s Provost’s Office for a two-week visit to the Texas A&M University Center for Health Systems and Design.
- 1997 Svensk Bokkonst Award. Presented by the *Royal Swedish Library* for the book Gary J. Coates, *Erik Asmussen, architect*, Stockholm, Byggförlaget) for which I prepared 75 ink-on-vellum drawings.
- 1996 *Harvard University Management Development Program*. Selected competitively both at the university level and nationally. Award to attend a two-week program for mid-level administrators at colleges and universities. Held at Harvard University Graduate School of Education, Cambridge, MA.
- 1981 Fulbright Scholarship Award and Travel Grant for graduate study at the University of California, Berkeley.
- 1979 Fritz Schumacher Travel Grant, Stiftung F.V.S., Hamburg, West Germany.

Student Awards

- 2005 Heintzelmann Prize for Best Fifth Year Project awarded to Brian Lefholz for his ADS 8 project *A Neuro-Rehabilitation Facility for Manhattan, Kansas*.
- 2000 Citation, AIA Kansas Student Design Awards Program for the ADS 7/8 studio project “The Anthroposophic Healing Center for Ann Arbor, Michigan”.
- 2002 Sarah Henry, First Prize Award/Student Category in the national *Healthcare Environment Design Competition*, sponsored by *Contract Magazine*, The Center for Health Design, American Institute of Architecture Students (AIAS), and Imark Communications. For her design of an ideal patient room in my section of ADS 7.
- 1999 Tobias Hathorn, Honorable Mention Award, K-State College of Architecture, Planning and Design Sixth Delineation Competition for one of his drawings for the *Strecker Gallery* project, completed in my section of ADS 2, Spring 1998.
- 1993 Scott Kanaga, Kenny Sheehan, Jonathan Rae and Rick Wilson, First Prize Award in national competition sponsored by the AIA Colorado: *Awakening Responsibility: A Call for Creative and Visionary Projects*. I served as occasional critic and advisor to the student team.
